William G. Miller, Staff Director
Select Committee on Intelligence
United States Senate

Bill:

Duggie mentioned to me that you wanted, for the Committee's retention, a copy of all unclassified Agency publications. As I told her, the Committee routinely receives several copies of our unclassified publications as they are released. Enclosed is a list of our unclassified publications back to 1972. If there any of the older ones you do not have but would like, let me know and I'll try to get them. I understand, however, that some are no longer available.
